BY ACCEPTANCE OF THIS DOCUMENT, THE RECIPIENT AGREES TO BE BOUND BY THE AFOREMEN TIONED STATEMENT.

2. Executive Summary

We are pleased to present Your Institute with the proposal for the ExpertLCMS. We recognize the unique opportunity before us to work on this project.

The key benefits of working with us include:

- ❖ Our expertise in developing Cloud Software products
- ❖ Our insight into improving Educational Systems
- ❖ Experience in developing and deploying enterprise wide applications
- ❖ A dedicated development and analysis team

This guide includes features details.

3. Modules

Jugnu is powered by the following modules. Features can be added on request.

Module	Features	Details
1. Student Record Management	Register and enroll students	
	Record student information	personal info, contact details, picture
	Record student attendance	
	Send absence notifications	using SMS notification system
	Search students records	
2. Student Academic Management	Record Student Test scores	Grade book
	Print report card	
	View and analyze student progress	
	Inform parents of student progress	
	Detailed reports	Student progress summary Campus progress summary Institute progress summary High achievers
3. Examination Record Management	Create examination types	Class test, Mid-term, Final exam, Board Exam
	Custom grading scheme	Date Sheets
	Track exam history	
	Detailed reports	Gazette Consolidated Results Student report card
	External Examination Bodies*	Universities and Educational Boards
	Exams Analyzer*	To perform multiple types of analysis and comparisons on exams data
4. Question Paper Maker*	Create questions	By subject, class, book
	Create exam papers	By subject, class, book
	Unique exam paper creation	For each individual student with ID and picture printed

5. Fee Management	Manage student fee types	*Course wise and Lump Sum Fee*
	Print Fee bills (challan forms)	*Fee plan, Advances, Student Ledger*
	Collect fee	*Fee Packages, arears and discounts*

13. Inquiry System	Admission Inquiry Attendance inquiry Fee inquiry Exam inquiry Student Dictionary Admin System Access	Automated Follow ups - parents can get make inquiries about their child using only SMS - get word meanings using SMS - give system commands using SMS, e.g. principal sends SMS to all students in a campus using SMS command. Internet not required
14. Academic Calendar	Weekly, National, local and religious Holidays	
	Course Specific Controls	
	Lecturer specific Time controls	
	Seasonal Timing Management	
	Time Table Maker (Coming soon)	
15. Course Management	Allocation to lecturers and Classes	*Recorded lectures and live sessions*
	Student Add/Drop	*In lecture gamification*
	Course Wise Attendance	
	Course Wise Fees	
16. Documents Manager*	Maintain list of needed documents for registration	
	Paper Less Operation	All needed docs are stored and can be downloaded as needed
17. Rooms Management	Capacity, type and address	
18. Biometric Attendance (Coming Soon)	Manual form based attendance	
	Using Finger Print	
	Using Facial Recognition*	(Coming Soon)
	Using RFID Smart Card*	

19. Automatic Bell*	Multiple bells on a single controller Multiple time tables on a single bell	
20. LMS*	Facilities to let students study at home	

* These features are premium features and require separate signup and maintenance fees

4. Benefits of Jugnuu

The following table shows how each individual management requirement is addressed.

| Requirements	Solution	
Connect all Campuses	i.	Web based system
Data Security	ii. iii. iv. v. vi.	User rights management Password protection User Activity Log Regular Backups SSL Enabled (On Demand)
Ease of Use	vii. viii. ix. x. xi.	Point and Click interface SMS Inquiry system Employee training Cross Device Compatible Separate apps for management and students
Easy Access	xii. xiii.	Detailed reports Low bandwidth access
Alerts & Notices	xiv.	SMS notification system
Zero Maintenance	xv.	Regular updates and fixes

5. Benefits of our System

We are pleased to present Your Institute with the proposal for the ExpertLCMS. We recognize the unique opportunity before us to work on this project. Having duly examined your requirements, we are confident that our proposed plan is just what you need. The main benefits are:

❖ Zero hardware and maintenance costs

❖ Latest technology used in system development

❖ Reduced data entry costs

❖ Improve academics by streamlining management tasks

❖ Increase school repute by keeping in touch with parents

6. What's next…

We follow the following logical path. This will help you see what's next and show you how to proceed. Please feel free to call us for more information.

Review features and pricing	Staff Training	Your School is now Jugnu Powered
Demonstration (skype / teamviewer)	Deployment	Customer Support (after sale service)
Discuss changes (if required)	Say Yes.	

Let us move forward with mutual understanding and in good faith.
